

How Can We Bless Your Church?

*Peterborough Christian Radio Station To Return To Air Under
New Ownership With A Locally Intensive,
Local News & Local Talk Show Focus At FM 90.5*

Dear Pastor & Church Members:

INTRODUCTION

My name is Andy McNabb, former owner of CKLY Radio Lindsay, during its Blue Jays and Maple Leafs years. My profile and the radio station's ministry and business plan is at www.FM905.ca.

I have entered into agreement to purchase the assets of Peterborough radio station CKKK, subject to CRTC approval this summer, the Lord willing. The station was formerly known as KAOS Radio, originally licensed at the old dial position of FM 99.5, and lost its transmitter site last year.

How can we serve you and help you do what God has called you to do?

The station will re-launch at **FM 90.5** with a new Christian radio format that is purposed to share with all, the risen Christ as Lord and Saviour; as well as edify, exhort, and comfort the saints. Pending completion of construction at the new transmitter site, the station shall re-launch this summer.

We are not competing with Life FM that originates from Barrie. When they're rockin', we'll be talkin'.

FORMAT

FM 90.5 is going to be a Peterborough focused radio station: the only radio station with local news every hour, plus daily, local, call-in talk shows hearing from Peterborough citizens about matters of local importance, faith and family; plus uplifting Christian talk and bible teaching programs. There will be some Christian music – minus the hard edged sounds heard elsewhere – but the focus will be on keeping Peterborough informed. Make no mistake – this will be, first and foremost, a locally intensive, Christian radio station.

WHAT WE'D LIKE TO GIVE YOU – SEE P.S. FOR MORE

We'd like to give your church free advertising, plus we're looking for local pastors & lay people who would be interested in hosting our call-in talk show, to be heard Monday – Friday. You'd host one afternoon or more per week (full training provided). It's a powerful way to minister and reach out.

Please call me this week and tell me how this station can serve you, as we're planning well in advance. Go to www.FM905.ca, then call me toll-free at 1-866-286-0286.

In Christ,

Andy McNabb

P.S. Plans Moving Forward – Your Thoughts & Additional Ideas Are Welcome: Joint evangelism projects – conferences, food giveaways to needy • Free “Church of the Week” features, focusing on your church • Christmas CD and concert featuring Peterborough church voices and musical talent • Free “Check Out The Churches” online directory and online hosting of your sermons’ audio/video/transcripts • Free online Christian business directory • Churches to broadcast their services (paid) • More free advertising in exchange for volunteers from churches helping with the station's news reporting, announcing, community outreach, office work (full training provided)
